+2 Science⏐Manimukunda HSS, Butwal   **2018 - 2020**

BSc. CSIT ⏐ Texas International College, Kathmandu   **2021 - Present**
Tribhuwan University
- Relevant course work in IT field.

PROFESSIONAL EXPERIENCE

Designed and delivered UI/UX for web and mobile applications, including:
- E-Tutor Class (Web & App) – education platform with user-friendly interfaces.
- PustakSewa (Web & App) – online bookstore with a focus on smooth user flow.
- CRM systems – streamlined interfaces for internal business operations.
- eCommerce websites – visually appealing, conversion-focused product designs.

Handled international client projects such as:
- "Puagu" – full UI/UX design for a Dubai-based client.
- Mustang Culture and Education Center – NGO website with a focus on cultural representation and accessibility for a US-based client.

- Self-Study – educational platform with responsive and intuitive design.
- As a Graphics Designer at in-house brand Mount Production, created over 200+ social media and promotional posts for various clients as part of their digital marketing strategies.
- Ensured all graphics and interfaces align with brand identity, marketing goals, and user expectations.
